

REMARKS

The foregoing amendment is submitted in response to a telephone conversation between the undersigned and the Examiner, Mr. Walsh, on March 12, 2003. Accompanying this amendment is a proposed revision of Figure 1, inserting schematic depictions of the remote controller, electric switch and vehicle (motorcycle), as required in paragraph 1 of the Office Action. In addition, Applicant has also amended the specification to insert corresponding reference numerals. Approval of the proposed drawing change as an amendment to this application is respectfully requested.

In paragraph 6 of the Office Action, Claims 6 through 10 have been allowed, and in paragraphs 4 and 5, it is indicated that Claims 1 through 5 are directed to allowable subject matter. Moreover, based on the telephone conversation of March 12, it is Applicant's understanding that all claims of record in this application are now allowable. Applicant thanks the Examiner for his courtesy and assistance in advancing the prosecution of the application through this telephone call.

In light of the foregoing remarks, this application should be in condition for allowance, and early passage of this case to issue is respectfully requested. If there are any questions regarding this supplemental amendment and revised drawing submission or the application in general, a telephone call to the

undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket #951/49531).

Respectfully submitted,
